Academic year or years covered by statement	2023/24
Publish date	September 2023
Review date	September 2024
Statement authorised by	Miss Natalie Christie
Pupil premium lead	Lauren Benson
Directors	Cavendish Education

Disadvantaged pupil barriers to success

All Pupils hold an Education Health Care Plan which has identified their individual areas of need., These include needs in the following categories; Social and Emotional; Cognition and Learning; Communication and Interaction; Physical and Sensory. Set outcomes are agreed with the parents, placing local authority, school and other involved professionals and these are reviewed at 3 points per year along with a full review and update of outcomes at an annual Education Health Care Plan Review. Further outcomes and targets are set and reviewed during Personal Education Plan Meetings 3 times annually per student.

Pupil Premium is used to support and encourage progress in the above four areas, with highlighted specialist areas of need for each individual student. Students are LAC/CIC pupils.

Pupil premium money is used for educational items such as phonics and numeracy resources, educational software, specialised OT equipment, outdoor learning experiences, magazines and books of interest, visual perception activities, board and card games of interest, modelling kits, external counselling sessions, art equipment for art therapy, speech & language resources, Dyslexia resources, Educational Psychology assessments and access to trips and other educational visits.

Aim	Evidence of impact	Target date
Prioritise reading to allow pupils to access the full curriculum offered. In particular, ensure that older pupils who are behind with their reading are helped to catch up, including through accessing texts with engaging content matched to their reading skills. Develop and promote the school's culture for reading, including ensuring that pupils read widely and often.	Student's attendance in lessons raised. Closing the attainment gap between SEN and Non SEN students, and, PP students and non PP students. Raised PP student numbers accessing formally accredited examinations and gaining qualifications.	July 2024
Ensure that teachers have good subject and pedagogical knowledge so that pupils routinely learn and remember the knowledge intended.	Student's attendance in lessons raised. Progress /impact seen through assessment data in English and Maths. Closing the attainment gap between SEN and Non SEN students, and, PP students and non PP students. Raised PP student numbers accessing formally accredited examinations and gaining qualifications.	July 2024

Improvement of visual perception skills	Occupational therapy reports documenting student progress and change.	July 2024
Strengthen pupils' attitudes to learning, so that they show commitment, study effectively and are resilient to setbacks.	Student's attendance in lessons raised.	
	Closing the attainment gap between SEN and Non SEN students, and, PP students and non PP students.	
Increase attendance rates across the school.	Impact of attendance policy and actions taken are evaluated.	July 2024
Decrease the proportion of persistently absent pupils, particularly in the older year groups.	Improved attendance to lessons. Fewer behavioural incidents.	

Strategy aims for disadvantaged pupils – wider outcomes (e.g. independence)

Aim	Evidence of impact	Target date
Pupils to improve emotional well being	Pupils are ready to learn, socialise and engage in	July 2024
Implement the newly planned PSHRE curriculum.	opportunities, according to their own personal ability.	
Review the planned opportunities for pupils' experiences beyond the subject curriculum, including to provide opportunities for pupils to engage in meaningful opportunities to develop as responsible, active citizens.	Fewer students' disagreements and supporting emotional regulation Students able to from friendships. Raised attendance.	

Pupils to feel confident to progress to further education Develop a Ripplevale Careers Strategy and Programme for 2023/2024. Ensure that pupils in Key Stages 3, 4 and 5 access high quality guidance, support and experiences enabling them to make informed choices about options that are completed and future destinations that are successfully sustained	Pupils can work towards courses of their choosing which can lead to employment. Impact of UniFrog platform and CKX external providers. Students have been supported and able to attend visits to local further education providers. Students have been able to engage in transition activities. Student destinations to evidence raised levels of education or employment destinations and lower rates of NEET.	July 2024
Pupils to develop independent skills Review the planned opportunities for pupils' experiences beyond the subject curriculum, including to provide opportunities for pupils to engage in meaningful opportunities to develop as responsible, active citizens. Increase opportunities for students to prepare for life beyond school.	Pupils to develop a level of independence according to their own personal ability. Students able to access the wider community and manage social anxieties. Raised student's numbers successfully accessing work experience. Implementation and development of the newly planned PSHRE curriculum.	July 2024

Measure	Activity	
Priority 1	Develop schools culture for reading.	
Priority 2	Increase attendance rates across the school.	

Wider strategies for current academic year

Measure	Activity
Priority 1	Review the planned opportunities for pupils' experiences beyond the subject curriculum.
Priority 2	Implement the newly planned PSHRE curriculum.

Projected Spending Throughout the Academic Support and Wider Strategies

Projected Spending	£12.600

Monitoring and implementation

Area	Challenge	Mitigating action
Teaching	Ensuring enough time is given over to allow for staff professional development and training.	Use of INSET days and additional cover being provided by senior leaders. Progress meetings to share updates in individual outcomes, strategies and provision across the school. School employing specialist therapists and teachers when necessary to meet provision needs.
Targeted support	Ensuring enough time for school intervention team to support 1:1 and small groups	Intervention team liaison. Occupational Therapist, speech and language therapist, Emotional and Wellbeing therapy team.
Wider strategies	Enough time to plan and deliver Careers and PSHRE programme across the school.	Support from Careers lead, PSHRE tutor, external specialists and SLT support.

Review: last year's aims and outcomes

2022/2023 aims and outcomes are individualised through students Personal Education Plans (PEP) and Education Health Care plans (EHCP). These are formally reviewed at three points annually in PEP review meetings and, three interim provision plan reviews and one formal review annually for EHCP. During these meetings progress and change has been documented and agreed by the relevant local authority and related professionals.
