

I am going back to school!

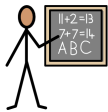

My school has been closed because of Coronavirus.

It is now safe to go back to school.

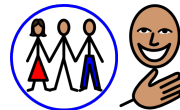

It is good that I can go back to school and see my friends and

teachers!

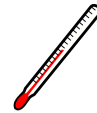

School will be different when I go back.

I may still arrive in a Taxi, or my family/carer may bring me and

take me home.

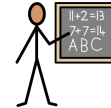

When I get to school, an adult will use an infrared thermometer to

take my temperature. It won't touch me and it doesn't hurt.

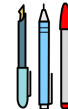

I will be in year group bubbles, I will not mix with other bubbles.

I will stay in my class for most lessons, different teachers will

come to my classroom.

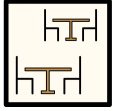

In my class I will have my own desk, my own pens, paper and

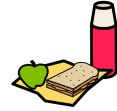

sensory toys. I can only use the things that have my name on it, or

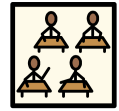

has been given to me.

The dinner hall will be closed. I will bring my own packed lunch or

will have a school packed lunch. I will eat this in my classroom.

There will be no Breakfast Club.

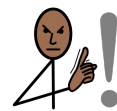

2

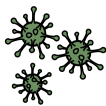

When I move about school, I will try to keep two meters apart from

other boys and adults I meet.

I will be asked to wash my hands lots of times, this is important to

stop the virus spreading.
